

San Marcos Area Targeting Strategy

Area Overview

San Marcos is a dynamic city between Austin and San Antonio, home to Texas State University and known for its natural beauty, especially the San Marcos River. The community offers a unique blend of college town energy, historic areas, and growing residential neighborhoods, with a mix of student housing, established homes, and new developments.

Demographics & Property Profile

Median Home Value: \$275,000-\$450,000

Predominant Age Range: Mixed - significant student population (18-25) and established residents (30-60)

Household Income: \$60,000-\$110,000 (non-student households)

Education Level: 50%+ with Bachelor's degrees

Property Types: Mix of single-family homes, multi-family properties, student housing, and historic homes

Home Ages: Historic district (50-100+ years), established neighborhoods (20-50 years), and new construction

Primary Services to Highlight

Based on demographic and housing data, these services should be featured prominently on the San Marcos page:

1. Historic Home Electrical

- **Why:** Significant number of older and historic properties
- **Focus Points:**
 - Historic home rewiring
 - Panel upgrades that preserve character
 - Period-appropriate electrical updates
 - Code compliance in vintage structures
 - Safety improvements for older systems

2. Rental Property Electrical

- **Why:** Large student population creates significant rental market
- **Focus Points:**

- Safety-focused rental property updates
- Code compliance for landlords
- Multi-unit electrical solutions
- Energy efficiency for rental profitability
- Regular electrical maintenance programs

3. Modern Home Office & Study Space

- **Why:** Mix of remote workers and student population
- **Focus Points:**
 - Dedicated home office circuits
 - Study space lighting and power
 - Technology-supporting electrical
 - Reliable power for online learning
 - USB outlet integration

4. Outdoor Living & Recreation

- **Why:** River culture and outdoor lifestyle
- **Focus Points:**
 - Outdoor entertainment electrical
 - Landscape lighting for property enjoyment
 - Pool and spa electrical
 - Patio and deck power solutions
 - Outdoor kitchen electrical

5. Energy Efficiency & Sustainability

- **Why:** Environmentally conscious community with university influence
- **Focus Points:**
 - Energy-efficient electrical system design
 - LED lighting conversions

- Smart energy management
- Solar readiness preparation
- EV charging for commuters

Neighborhood-Specific Electrical Considerations

For Historic Downtown/Belvin Street

- **Focus on:**
 - Historic preservation during electrical updates
 - Vintage home safety improvements
 - Period-appropriate lighting solutions
 - Character-maintaining modernization
 - Older construction electrical challenges

For Willow Creek/Hills of Hays/Cottonwood Creek

- **Focus on:**
 - Family home electrical needs
 - Modern convenience electrical
 - Outdoor living power systems
 - Home office electrical solutions
 - Energy efficiency in established homes

For Student-Dense Areas/Apartment Corridors

- **Focus on:**
 - Multi-unit electrical safety
 - Rental property code compliance
 - Study space electrical needs
 - High-traffic electrical durability
 - Energy management for landlords
